

1 governor comes back and notifies him that he can again
2 carry out his duties.

3 But these powers that are specifically dele-
4 gated to the governor under the executive article cannot
5 be delegated piecemeal to the lieutenant governor. Either
6 the lieutenant governor has to have all of the governor's
7 powers, by reason of action under Section 4.07, or the
8 only powers he can have are the duties that may be
9 delegated to him by the governor, excepting the specific
10 powers delegated to the governor by the Constitution.

11 THE CHAIRMAN: Are there any questions of the
12 sponsor of the amendment?

13 If so, please ask them now.

14 If not, does any delegate desire to speak in
15 opposition to the amendment?

16 Delegate Rybczynski?

17 DELEGATE RYBCZYNSKI: Mr. Chairman, I would
18 like to ask one question of Chairman Morgan.

19 THE CHAIRMAN: Delegate Morgan, do you yield to
20 a question?

21 DELEGATE MORGAN: Yes, sir.
